Mr. Scott Hansen, Principal

Mrs. Althoria Pickett - Mr. Rick Williams, Assistant Principals/Mrs. Meghan Davis, IB Prep Administration

August 2011

Dear Parents/Guardians,

The administration, faculty, staff and School Advisory Council of Fairview Middle School are grateful for the opportunity to share our goals and achievements for the 2010-2011 school year. Fairview is unique school setting as the Fairview Family includes the English Speakers of Other Languages (ESOL) middle school students, the I.B. Prep School students, and students transferring due to AYP. Fairview created a new learning community to highlight our advanced students with a more rigorous curriculum. For the 2010-2011 school year Fairview was awarded a grade of B by the Florida Department of Education. This above average designation is only possible by the continuous work of our students, faculty, staff, administrators, parents, mentors, and community partners. The School Public Accountability Report (SPAR) provides pertinent information necessary for the evaluation of our school and the implementation of school improvement strategies.

Fairview has placed emphasis in the following areas: 1) math achievement; 2) reading achievement; 3) writing/communication skills; 4) science achievement; and 5) student recovery/promotion. After evaluation we are pleased that the school continues to make progress on these goals; as well as many others.

At Fairview we still encourage our students to believe in themselves as life-long learners. Our pledge toward providing a safe, nurturing, and drug free environment continues in the 2011-2012 school year. Fairview Middle School; *Where Futures Take Flight!*

Sincerely,

Scott Hansen, Principal
