Please note that this is a generic supply list. If a student will need any additional supplies for a specific class, it will be noted on the syllabus given out the first week of school.

When should I bring my supplies? It is NOT necessary to bring all of your school supplies with you during the first week of school. Lockers are not usually issued until the second week of school, so during the first week of school have your child bring only the basics: a binder with paper, pens and pencils is sufficient unless otherwise instructed by their teachers.

Will I need additional supplies? Some additional supplies might be required by specific classes and/or teachers, such as electives. Please note a few of the additional requirements below:

IB Pre-Algebra (6th Grade), Algebra 1, Geometry: Scientific Graphing Calculator, 1”Binder with Dividers

Journalism: Composition Notebook, 3”x5” Index Cards

Foreign Language (Spanish, French, Chinese): A Translation Dictionary specific to your language

Can I wear a backpack? Backpacks are not allowed in the hallways or in classrooms at Fairview. All backpacks must fit into your locker. Backpacks must be placed in your locker at the first bell and should not be used again until they are taken home at the end of the day. For school purposes, a backpack is defined as any bag containing two straps designed to be carried over one or both shoulders.

What do I need to wear for Physical Education (P.E.)? Students enrolled in P.E. are required to dress out daily in their P.E. uniforms. The uniforms consist of a pair of gym shorts and a specific t-shirt; information about the uniform will be sent home with P.E. students on the first day of school.
